Catherine Gu

Design Internship

(858) 602-9728

cgu@ucsd.com

San Diego, CA

Enthusiastic, detail-oriented undergraduate interested in gaining experience in human design and interaction. I have worked in many group projects that go through the entire design processes up until a final prototype. I have engaged in many upper division courses that teach how to design in a user-oriented manner.

Skills:

- Proficient in Figma
- Writing code in Java, Python, C, HTML + CSS
- Developing prototypes
- Analyzing user behavior in prototype testing
- User Experience
- Storyboarding
- Great team player

Education:

University of California San Diego

Cognitive Science Major w/ Specialization in Design and Interaction, 3.98 GPA

2020-Present | San Diego, CA

RELEVANT COURSEWORK

- Cognitive Perspectives
- Cognitive Ethnography
- Cognitive Design Studio
- Usability and Information Architecture
- Design of Everyday Things
- Cognitive Consequences of Technology
- Introduction to Research Methods

Design Portfolio:

https://catherinegu16.github.io/Design-Portfolio/
